Annexure 2– Campus Invitation for Summer Internship

Dear Sir/Mam,

Warm Greetings from IILM Academy of Higher Learning!

I take the pleasure of introducing you to IILM Academy of Higher Learning and also invite you to engage with us in industryacademia partnership.

Briefly, IILM Academy of Higher Learning, since its inception in 2004, has been making sincere efforts towards producing management graduates, professionally competent, personally sensitive and socially responsible. You may also be aware that IILM is an established name in management education providing industry oriented learning through its campus at New Delhi, Gurgaon, Greater Noida, Lucknow and Jaipur.

We offer Govt./AICTE recognized, 2-year, full-time PGDM Programme and 2-year full time MBA Programme affiliated to Dr. APJ Abdul Kalam Technical University.

We provide dual (as well as major-minor) specialization in Marketing, Finance, HR and Operations. The curriculum incorporates rigorous classroom teaching and practical learning through on-the-job training, live projects and case studies. Besides this, many of our students are also undergoing various certification courses that will help them to build their career in corporate world.

Our curriculum offers a practical industrial training as a part of the module in the course work. Students are expected to complete Summer Internship Program (SIP) of three months to gain practical skills and learn to put theory into practice. These processes help our students to fulfil the dynamic needs of the market, as making our students a cut above the rest.

We would appreciate if you could visit IILM Campus and interact with our aspiring students, and look into the possibility for Summer Internship for our students with your organization in the concerned functional department.

You are requested to kindly enlighten us about the procedure for the same at your organization.

To know more about us, we invite you to visit our website, www.iilmlko.ac.in

I do look forward to work closely with your organization towards a synergetic relationship.

Regards,
